SUMMARY

Results-driven professional with 6.7+ years of experience across project execution, software development and UI/UX design, including 2.7 years freelance. Strong in Agile delivery, cross-functional collaboration and stakeholder engagement. Moving into product management, combining hands-on technical experience with a delivery mindset. Seeking remote, full-time or freelance roles.

EXPERIENCE

Freelance Web Developer Oct 2022 to Jan 2024 and Sep 2019 to Dec 2020 · Mumbai, India

- Managed full-cycle delivery from requirements to deployment, delivering client-centric solutions on time and within budget.
- Designed UI/UX components with HTML, CSS and JavaScript, improving engagement and navigation efficiency by 30%.
- Set up branding and hosting to improve client visibility and stakeholder satisfaction.

Software Developer, Telr Oct 2021 to Aug 2022 · Mumbai, India

- Modernised legacy front-end flows, reducing page load time by 50% using Agile delivery and performance optimisation.
- Revamped the payment interface with HTML, CSS, JavaScript and jQuery, improving usability and security and contributing to a 28% sales increase.
- Worked with product and marketing teams to align technical delivery with business goals.

Junior Developer, Finacus Solutions Pvt. Ltd. Dec 2020 to Sep 2021 · Mumbai, India

- Converted business requirements into wireframes and prototypes for banking platforms.
- Partnered with product teams to integrate intuitive designs, improving user satisfaction and operational efficiency.
- Supported sprint planning and delivery in an Agile environment to meet project timelines.

Project Executive, Fi Havock Digital Pvt. Ltd. Aug 2018 to Sep 2019 · Mumbai, India

- Owned end-to-end project execution (planning, tracking, delivery) within scope, budget and timelines.
- Performed market analysis to inform strategy and keep projects aligned with business goals.
- Facilitated cross-functional collaboration to keep stakeholders aligned and delivery on track.

Co-Founder, Compito Enterprises Jun 2017 to Jun 2018 · Mumbai, India

- Led operations including recruitment, vendor coordination and resource allocation.
- Built digital assets and content strategies to strengthen engagement and retention.
